**Nautilus - Hammered**  
18/8 Stainless Steel

# NAUTILIS

The combination of hammered for the upper parts of the cutlery and black raw stainless steel for the handles gives this Nautilus model its inimitable style. The shell-shaped handle end makes this Nautilus model the preferred host of tables inspired by exoticism and nature.

Arboris - Silver Plated  
18/8 Stainless Steel

# ARBORIS

.The Arboris model is what the craftsmen who forged each piece of cutlery can produce at the best. Cast in sand handles are made of silver-plated brass and upper parts of matt stainless steel.  
Our Arboris collection will bring enchantment to any festive table.
